

Landscape Design Installation & Maintenance

CONSULTATION AND DESIGN SERVICES

CONSULTATION SERVICES AND FEES A Matterhorn consultation is the perfect first-step towards realizing the landscape of your dreams! We will come to you – the consultation lasts about one hour and takes place at your home. During this initial session, we walk through your property together, identify and answer initial questions, and begin to get a feel for your unique setting. For example, we might discuss possible plant choices, the shaping of garden beds, and any garden structures you'd like to add to your garden. We recommend that you take notes during the consultation, as drawings and detailed lists are not included.

The on-site consultation fee is \$100, payable at the time of our visit. Should your vision require an actual design document, substantial planning, or installation, our Design department will be ready to provide everything you will need for a successful landscape. Matterhorn Landscape Design fees typically begin at \$300 and depend on the size and the scope of your landscape project. During the initial consultation, we will discuss your "wish list", along with possible stylistic approaches and materials for the project. You will receive a design fee estimate based on the approximate number of hours necessary to create your design.

LANDSCAPE DESIGN SERVICES AND FEES The site-plan design includes a detailed analysis of site conditions such as sun and wind exposure, topography, soil type, and adjacent structures. Field measurements and photographs are also taken. An up-to-date, scaled survey of your property will be required to facilitate this stage of the design process. The Matterhorn Design team will develop a concept plan and/or perspective drawings to help visualize how the finished project will look. This part of the design process may include additional visits to your property, time spent researching materials, additional meetings with you to discuss and refine the plans, revisions to the conceptual drawing, and preparation of an estimate for construction and installation.

The design fee is based on a rate of \$100/hour. Contracts require a fifty (50%) percent non-refundable deposit, with the balance due upon receipt of the Concept Drawing.

- I am a current Matterhorn customer.
- A family member or friend told me about Matterhorn.
- I saw an advertisement (please tell us where) _____
- Other _____

Do you expect to do your own landscape installation?

Yes

No

YOUR PROJECT

Please describe the project you have in mind. (For plantings, indicate preferred styles or types of gardens, if known. For patio, wall, stonework, masonry, woodwork, arbor, walkway, or other construction, please list any preferred materials. Let us know if you have children or pets who need outdoor play space.) _____

Please check the items you are interested in (check as many as you would like):

- | | |
|---|--|
| <input type="radio"/> Foundation Planting | <input type="radio"/> Seasonal Planting |
| <input type="radio"/> Screening | <input type="radio"/> Fencing |
| <input type="radio"/> Swimming Pool or Spa | <input type="radio"/> Water Garden Feature |
| <input type="radio"/> Deck and/or Patio | <input type="radio"/> Gazebo and/or Shed |
| <input type="radio"/> Outdoor Kitchen or Barbecue | <input type="radio"/> Irrigation or Mist System |
| <input type="radio"/> Landscape Lighting | <input type="radio"/> Landscape Maintenance Services |

What is the estimated budget for your project? (This will help us maximize the efficiency of your design and, possibly, help you plan for multi-year projects. We want to be sure we address your priorities and plan for long-term projects.) _____

If you do not know how to calculate your budget, please phone the Landscape Design, installation, and Maintenance Office and a member of our professional staff will help you!

Thank you for your interest in Matterhorn. We look forward to meeting you.
